Dear Child Safety Advocate:

Thank you for taking the KidSafe for Educators, eLearn Training for Child Sexual Abuse Prevention. Our mission is to provide prevention education to children and adults, empowering them with skills that create a safe society free from sexual abuse, bullying, and internet exploitation. And our mission with this training is to help you recognize, respond to, and report child abuse.

KidSafe Foundation was founded as a 501(c)(3) nonprofit in 2009, and has educated over 55,000 children and 30,000 adults. Since then we have been delivering the KidSafe for Educators seminars onsite throughout Palm Beach and Broward counties. We are happy to now bring you this training online—to take at your own time and pace.

The directions for registering for training are attached. You are an important part of the first line of defense in children's safety. We appreciate the opportunity to work together with you to keep KidSafe.

Sincerely,

The KidSafe Foundation
